

## *A Restoration of All Things Faith Basket*

## *My Testimony*

*Heavenly Father restored the gospel and some-  
times we have to restore our Faith. Our Ancient  
Sisters did some of the same things we do,  
to restore our faith....*

*They Served...with a hand woven basket  
full of something to warm the hearts  
of their sisters*

*They counted their blessings with stones. When you  
feel down put this gratitude rock in your apron or  
pocket and every time  
you feel it, think of something you  
are grateful for.*

*They knew the medicinal purposes of the  
cocoa bean....enjoy these chocolate covered raisins  
when you need a little pick me up..*

*They took time for themselves...when you break a  
nail this month, take a moment to enjoy a good  
manicure.*

*They wove their testimonies into beautiful blankets.  
Write your testimony on the blanket and review it  
when you are low on faith.*
